

Plan to leave ThrottleWear on Auburn Folsom road at 0930. The proposed route is a shorter one, but quite a varied ride- no freeway riding, but some beautiful, quiet, single lane, curvy forest roads, which will be ridden slowly for safety reasons. The ride will with a BBQ lunch, (\$5.00 donation)

I want to return via Big Dipper to Iowa Hill road, which is pretty exciting to ride, but the directions can be reversed to return through Forest Hill also. I am rating this ride between a 3 and a 4 because the last .4 is a dirt road.
