

August 11, 2007 GraEagle

We will meet at the Quick Stop gas station on the NE corner of Hwy 70 and Hwy 20 in Marysville at 8:30 AM and will leave promptly at 9 AM. This is a long ride and the earlier we get going the better.

I am rating this a 4 to 5 for the distance, mountain roads, and heat.

Please top off you gas tank in Marysville if you cannot easily make 110 miles. For those with smaller tanks, we will make a quick gas and go in Oroville... so don't worry!
